TechSoul AI

Software Development Proposal for ACME Corp

Client Information

Name : John Doe

Company : ACME Corp

Email : john@acme.com

Phone : 9876543210

Project Details

Project Type : Mobile App

Expected Timeline : Normal

Overview : TechSoul AI is pleased to submit this proposal to ACME Corp, under the leadership of John Doe, for the development of a high-performance, secure mobile application designed to elevate your digital presence and streamline customer transactions. Our team will design, develop, and deploy a custom mobile app tailored to your specific operational needs. By integrating a secure User Authentication (Login) system and a robust, PCI-compliant Payment Gateway, we will ensure that your customers enjoy a seamless, trustworthy, and highly intuitive transactional experience. Utilizing agile development methodologies, TechSoul AI will deliver this project within the standard timeline and a total budget of ■153,600. Our comprehensive approach guarantees a scalable architecture, sleek user interface, and rigorous quality assurance testing. We are committed to translating ACME Corp's vision into a powerful mobile solution that drives engagement, enhances operational efficiency, and fosters long-term business growth. We look forward to partnering with ACME Corp on this digital initiative.

Cost Breakdown

Item	Amount
Project Base Price	■ 120,000
Selected Features Cost	■ 0
Timeline Multiplier	1.0x
Discounts / Scope Adjustments	- ■ 0
Taxes (18% GST)	■ 21,600
Annual Maintenance (10%)	■ 12,000
Final Estimated Total	■ **153,600**

Project Deliverables

• Complete Clean Source Code Git Repository access
• Functional staging and production database setup
• Full mobile/desktop responsive design implementation
• Secure administrator dashboard panel
• External payment and API service integrations
• Hosting server setup and domain configuration support
• Complete technical system architecture documentation
• Post-launch administrator operational training session

Support & Warranty

Warranty : 90 Days post-launch guarantee
